教員・学生の皆様の参加をお待ち申し上げます。

日 時: 2016年7月20日(水) 17:00~18:30

場 所: 経営学研究棟(N3-1) 403会議室

報告者: Dr. L. G. Pee

Nanyang Technological University

テーマ: Knowledge Sharing in Organizations and Online Communities

【概要】

This workshop will detail the influence of two external factors on employees' knowledge sharing: job characteristics and others' need for knowledge. The research questions addressed are:

- 1) How do job characteristics influence the duration, frequency, and diversity of knowledge sharing?
- 2) Does others' knowledge need influence one's knowledge sharing?

Empirical findings will be presented and implications for research and practice will be discussed.
